Award Show Hosts General Session Emcees

"Now I understand why planners invite you back...I was especially pleased with humor so specific to our audience....you clearly did your homework! Many thanks for an awards program that left us sore from laughing!"

Michelle Conley - Subway

"In twenty years, we have never had a funnier show. Your unique style, ability to blend in humor pertinent to our business and your knack for not offending a very mixed audience really sets you apart!"

John Clarke CAO, Dr. Pepper/7UP

"...STUPENDOUS! In every (Johnson & Johnson)General Session, your timing and delivery was right on the money! We got numerous comments on how much you knew about the clients and the industry. Another client saw you host the Awards Show and wants you for his event...when you're hot, you're HOT!"

Mike Main, Murphy-Main Prod.

"Standing backstage with Oprah and Larry King proved to me that they enjoyed your hosting the Gold Medallion Awards as much as the audience! Thank you both!"

Gary Taylor, President BPME

"Thank you for making this our most exciting, entertaining and successful awards program to date!" - Donna Callejon, Fannie Mae
